## HEAVY DUTY DIESEL TRUCK MECHANIC

Bumper to bumper repair on Heavy Duty Tractor Trailer Equipment. Employees will work in the shop and on the road providing mobile service with the following skills:

- Diagnose, repair, and routine maintenance on trucks, and trailers.
- Adhere to manufacturers warranty policies and procedures
- Ability to work in a fast-paced environment and perform heavy lifting
- Self motivated with own tools and excellent driving record
- Comfortable on computer to track time, parts & work orders.

Those who have a desire to be part of a winning team and who can blend top-notch diagnostic ability with strong interpersonal & communication skills should apply. We pay for you to earn your CDL, class A, we pay for ASEs, and bonuses for industry training.

**A commercial driver's license at hire is a plus**
